

Blue Silver

Starting Bid **\$750.00**

Donated by **Ulises Rene Palomino**

Medium - 30 inch butterfly

Inspired by a metaphor of two different styles quite similar but not quite the same, this butterfly represents two different techniques. The top color is golden, a little more realistic of what a butterfly would look like. "The bottom is more abstract and modern - It's more like my work a technique that I'm working on."

Rene is a custom framer and artist at R&O Art Works.
